

## Reliability Copper Melting Furnace With Superior Safety System And Low Noise Level

### Our Product Introduction

for more products please visit us on [melt-furnaces.com](http://melt-furnaces.com)

#### Basic Information

- Place of Origin: China
- Brand Name: Huarui
- Certification: patent; national testing report; quality management system
- Model Number: to be customized
- Minimum Order Quantity: 1
- Price: to be negotiated
- Packaging Details: waterproof
- Delivery Time: 30~45 days
- Payment Terms: T/T/ L/C
- Supply Ability: 1000000

#### Product Specification

- Reliability : High
- Noise Level: Low
- Safety System : Quick And Reliable
- Durability : High
- Noise : Low
- Efficiency : High
- Advantage : High Power Saving
- Highlight: **Superior Safety System Copper Melting Furnace**  
**, Low Noise Level Copper Melting Furnace,**  
**Reliability Copper Melting Furnace**

## Product Description

### Product Description:

We understand the importance of low noise levels in industrial settings, which is why our induction melting furnace for copper is designed with a noise-reducing feature. The furnace is also built to last, with high durability, ensuring long-lasting use and minimal maintenance costs.

Our induction furnace for melting copper is designed for high efficiency, ensuring that the melting process is completed in a short amount of time, reducing production time and increasing output. The high power saving feature also contributes to the overall efficiency of the product, making it a reliable and cost-effective solution for industrial purposes.

Investing in our induction copper melting furnace is a wise choice for any industrial setting. With its high efficiency, quick and reliable safety system, low noise levels, and high durability, you can rest assured that you are making a long-term investment in your business. Don't settle for anything less than the best. Choose our induction melting furnace for your copper melting needs.

### Applications:

The Huarui Induction Copper Melting Furnace is a perfect product for those who need to melt copper and other metals. It is a reliable and durable product that has a low noise level. This induction melting furnace has a high power saving advantage, making it an efficient product for melting copper.

The Huarui Induction Copper Melting Furnace is suitable for a variety of application occasions and scenarios. It is perfect for industrial use, such as in foundries, metal processing plants, and manufacturing facilities. It can be used for melting copper and other metals for the production of a variety of products, such as copper pipes, wires, and other copper-based products.

The Huarui Induction Copper Melting Furnace is a highly efficient product that has a low noise level. This makes it perfect for use in residential areas, where noise levels need to be kept to a minimum. It is also a durable product that can withstand the rigors of industrial use.

The Huarui Induction Copper Melting Furnace has a minimum order quantity of 1 and the price can be negotiated. The packaging details are waterproof, ensuring that the product is protected during transportation. The delivery time for this product is between 30 to 45 days, and payment terms are T/T or L/C. The supply ability for this product is 1,000,000, making it readily available for those who need it.

### Customization:

**Product Name:** Huarui Copper Melting Furnace

**Model Number:** Customizable

**Place of Origin:** China

**Certification:** Patent; National Testing Report; Quality Management System

**Minimum Order Quantity:** 1

**Price:** To be negotiated

**Packaging Details:** Waterproof

**Delivery Time:** 30~45 days

**Payment Terms:** T/T/ L/C

**Supply Ability:** 1000000

**Product Attributes:**

Melting furnace for copper

Induction smelting furnace

Induction copper melting furnace

High durability

High power saving advantage

Low noise level

Quick and reliable safety system

### Support and Services:

The Copper Melting Furnace product comes with comprehensive technical support and services to ensure optimal performance and efficient operation. Our team of experienced technicians is available to provide assistance with installation, maintenance, and repair of the furnace. We offer training and on-site support to help operators become familiar with the furnace and its features. In addition, we provide spare parts and upgrades to keep the furnace running at peak performance. Contact us today to learn more about our technical support and services for the Copper Melting Furnace.

### Packing and Shipping:

**Product Packaging:**

1 Copper Melting Furnace

1 Graphite Crucible

1 Tong

Instruction Manual

**Shipping:**

Shipping Method: Standard Shipping

Estimated Delivery Time: 5-7 Business Days

Shipping Cost: Free

**Shandong Huarui Electric Furnace Co., Ltd.**
